AGENDA

Company Overview

Product Range

Competence

Physical Environment

Quality System
CABLE ASSEMBLY
MAJOR PRODUCTS

- Harnesses
- Industry Standard
- Custom Cable Assemblies
Better Engineering Support
Higher Project Performance

- Reduced lead-time
- Improved quality
- Higher output
- Lower costs

Engineering Support
- molding
- stamping
- plating
- assembly
- QC
- shipping
CORPORATE STRATEGY

COMPANY VALUES

Mission
→ understanding and exceeding costumers’ needs

Vision
→ creating unique solutions for the global market

Core Value
→ delivering cost-efficient interconnects

Unique Selling Proposition
→ internationally minded business and 20 years of experience
VALUE-ADDED SERVICE

Finished Goods

Quality control
Custom Packing
Labeling & Bar code
Shipment Consolidation

Value-added Services

Customer
FISCHERSCOPE (GERMANY)
- RoHS & Plating Measuring Instrument

VISION (UK)
- Lynx stereo Dynascope
IMAGE MEASURING SYSTEM

QUALITY CONTROL

- SEVEN OCEAN (USA)
  - 2.5D Video Measuring

- 2.5D Dimensional Measurement
Inspect
Major Testing Devices

- Pulling / Abrupt pull tester
- Bending tester
- Cirris 1000/1100 cable testers
- Electrical continuity tester
- Dielectric voltage-withstand tester
- High Voltage testers
- Video measuring & charting machine
- CCD image analyzer
- Vector Network Analysis
Cable Connections China

PRODUCTION

- Location: Dongguan, China
- Scale: 13,700 square meter
- Employees: 350
- Production line: 22

- Cable Assemblies
- Connectors
- OEM Project

- High monthly output
- Strict QC control
- Engineering support
- Flexible capacity
FACTORY TOUR

• Dongguan Factory
FLOOR PLAN

3F – Production Line

2F – General Offices

1F – Warehouse
ASSEMBLY LINE PRODUCTION

- Lean production
- One piece flow
- Molding station

- Molding process
ASSEMBLY LINE PRODUCTION

• Crimping station

• Crimping process
INSPECTION
QUALITY CONTROL

- Inspection station
- Electrical test
• Projector

• Crimping inspection
LCR Meter Contact
- Resistance

Mega Ohm Meter
- Insulation Resistance
- Retention Force
  - Tester
- Ultra-sonic Welder
RD CENTER

• RD Dept

• Engineering team
LABORATORY QUALITY CONTROL

- Test devices
- Inspection devices
TOOLING STORAGE

WAREHOUSE

- Tooling storage
- Tooling shelf
LOGISTIC
DISTRIBUTING GOODS

- Office
- Warehouse
